INSTRUCTIONS:

- Print name and address clearly in the spaces provided.
- Enter the appropriate **VALID** (license for year in which you wish to hunt) firearms license and/or archery permit number in the space provided.
- **Sign and date** the application. If multiple landowners on deed, only one needs to sign application.

REGULATIONS:

- A landowner must own at least 10 acres to qualify for the free permits.
- No landowner, lineal descendant, parent, grandparent or sibling shall be issued more than one free permit in any calendar year, regardless of acreage owned.
- The number of turkeys taken with each permit shall be limited to two bearded turkeys during the spring season and two turkeys of either sex during the fall firearms and fall archery seasons.
- No landowner shall make more than one application for the same person for such turkey permit.
- Persons taking a turkey with a Free Landowner permit during the spring and fall archery seasons are required to send in a kill report card within 24 hours of harvest. Turkeys killed with a landowner permit during the fall firearms season must be reported at a check station.
- To hunt with a firearm, a **State Firearms Hunting License is required** if landowner does not reside on the qualifying property.
- To hunt with a bow and arrow, a **State Archery Permit is required** if landowner does not reside on the qualifying property.
- This application is available on the DEP website at: <http://dep.state.ct.us/burnatr/wildlife/fguide/fgindex.htm>

HUNTING EQUIPMENT:

1. A person may hunt with shotguns, 20 gauge or larger, with #4, 5, 6, or 7 ½ shot. Any shotgun used to take turkeys shall not be capable of holding more than three shells and shall have its magazine plugged with a one-piece filler, incapable of removal without disassembling, so that the total gun capacity does not exceed three shells.
2. Legal bows and arrows include long, recurve and compound bows capable of propelling a hunting type arrow of not less than 400 grains, 150 yards free flight over level ground. The arrowhead must have at least two blades and must be at least 7/8 inch wide at its widest point.
